

## OAKINGTON C of E (A) PRIMARY SCHOOL

Dear Parent/Carer

Our School is in the process of transferring our communication tool from Parent Mail, for which the school is charged, to the free tool that comes as part of our subscription to Starz+, the Virtual Learning Environment that teachers and pupils already have access to, this is provided by eSchools. The change-over will start on 04/11/16. Whilst we do not envisage any problems with the transfer, we would appreciate your co-operation in letting us know if you do not receive communications via the new system once the transfer has been completed so that we can investigate any issue that arise.

This platform also allows us access to an online booking system for Parental Consultations. You will be required to log onto Starz+ to book your teacher consultations when appropriate.

To login:

**Website address for Login: [www.oakington.eschools.co.uk](http://www.oakington.eschools.co.uk)**  
**Username and Password can be found on the attached slip.**

Once logged on, you will have access from your dashboard to

- an archive of Letters Home
- change your password and ensure that the contact records we hold for you are up-to-date. Please select the cog to amend these.
- Access to the Parent Evening Booking tool

**NB** If you forget your login details, you will need to contact the school office to request a reset.

eSchools also offers a mobile app for parents with an iPhone or Android phone, to receive notifications directly from the school office, helping to reduce school costs.

**See the link on your dashboard to download the app or search for eSchools in either the Apple App Store (iPhone) or Google Play (Android). Note this app does not allow Parent Consultation bookings, you will need to log in direct or contact the school office to arrange these.**

Yours sincerely

Sally Daggianti  
Head Teacher
