OAKINGTON C of E (A) PRIMARY SCHOOL

Date: 20 July 2017

To Parents/Carers

Dear Parents/Carers

Parental conduct on the school grounds

We, as a school along with the governing body encourage close links with parents and encourage parental feedback. We believe that pupils benefit when the relationship between home and school is a close and positive one. We are also thankful that the vast majority of parents, carers and others visiting our school are fantastic in helping us engender this happy and collaborative spirit within the school. However, there have been a number of occasions, which the conduct of some parents has not been appropriate. This has led to some complaints from other parents and staff, who have either been spoken to inappropriately, or who have witnessed unacceptable behavior from other parents. On the few occasions this has resulted in verbal aggression towards members of school staff, parents or members of the wider school community, and in many cases has been conducted in the presence of small children. We encourage a culture of respect and implore that you adhere to this. This is so important, in a place where we are trying to instill in your children the positive behaviours to which we should all be aspiring.

Yours sincerely

Mrs S Daggianti
