

Oakington C of E (A) Primary School Sports Funding 2018-19

The Government is now providing money directly to primary schools to enhance the delivery of school sports and PE. We believe it is important to share how we intend to utilise this money at Oakington C of E Primary School this year. Our intention is to improve the delivery of physical education within school, whilst delivering extra- curricular opportunities to encourage greater numbers of participants in a wide range of activities from leadership to team and individual sports.
