## OAKINGTON C of E (A) PRIMARY SCHOOL

### **Playground Cycle Training, Thursday 9th June for everyone in Years Reception - 4**

Dear parents/carers,

As a Bike It school we believe all children should get the opportunity to learn to cycle and improve their cycling skills, to help keep them fit and safe now and in the future. So on Thursday 9th June, all children in years R - 4 will be taking part in off-road cycle training sessions, run by William Duncan, our Sustrans Bike It officer, along with some staff and volunteers.

We do have some pool bikes in school but clearly the children will get the most out of the sessions if as few as possible have to share bikes. So please, if your child has a bike and you can feasibly get it to school, bring your child's **bike and helmet** into school on Thursday 9th.

The bike will need to be in **working order** - pumped up tyres, working brakes, and secure wheels, handle-bars and steering. There will not be time on the day to fix bikes - if you are not sure if it is OK, please bring it into school beforehand and ask Mr Mansell to have a look at it, or tick the relevant box in the form below.

It will be much easier to organise the children into appropriate groups if we know what cycling level they are already at. So please **fill in the form below** for each of your children and return to school by **Tuesday 7th June**. This is particularly important for **KS1 children** because there are separate groups for those on stabilisers/balance bikes and those who can already cycle. Children for whom no forms have been returned will still be taking part, but they might end up in a less appropriate group.

If for any reason you do not want your child to take part, please indicate below and return the form.

Mrs Moss, Mr Mansell, Jenny Prince
